The Cairos will visit the Carrolls next Tuesday for a match of three games. The ladies have been extended a cordial invitation to be present on this occasion.

THE TEAMS ARE TIED.

The W. A. C. and Y. M. C. C. Bowler

Capt. Lansdale of the Y. M. C. C. and his

team of bowlers were the guests of the W

match. Another set of games will be played

to decide the tie, as each team has won

three and lost three. The feature of the

evening was the remarkable bowling of Schlienger of the W. A. C., breaking all previous scores made by members of the District Amateur Bowling League in match games, who made the score of 243, with 7 strikes and 4 spares. Hill led the honors of the Y. M. C. C., with the score of 188. The third game was a tie, each team having a total of 728 pins, which was bowled off and won by the W. A. C.

The scores in detail follow:

The Society of Christian Endeavor Celebrate This Theme.

Stirring Address by Dr. Clark, the Founder of the Organization, at a

o'clock yesterday afternoon at the First Congregational Church, under the auspices of the good citizenship committee of the District Christian Endeavor Union. The object was to promote a sense of civic obligation, and the duties of members to the state and the municipality were set forth was presided over by Judge Anson S. Tayor, and Dr. F. E. Clark of Boston, founder of the Christian Endeavor Union, made a brilliant and convincing address. The Moody choir, with its 500 voices and the inspiring leadership of Mr. Percy Foster, was spiring leadership of Mr. Percy Foster, was present and made the occasion pleasantly memorable by its excellent singing. The church was beautifully and significantly decorated. The rational flag was everywhere conspicuous. High over the church organ four of these emblems of union were dreped in the form of a Maltese cross, fastened at the center with a Christian Endeavor monogram in gilt lettering. The printed programs bore a design of a regimental flag and embraced a voluntary comprising a medley of patriotic airs; the singing of "America" by the choir and congregation; invocation by Rev. Dr. F. D. Power; responsive reading, led by Rev. F. J. Grimke; prayer, by Rev. Howard Wilbur Ennis; a brief address of welcome, by Rev. Dr. S. M. Newman; a solo, by Mr. Foster; introductory remarks, by Chairman Taylor; an address, by Rev. F. E. Clark, D. D.; prayer, by Rev. W. C. Alexander; doxology, Mizpah and benediction. Upon the platform were the committee, H. C. Metcalf, secretary; S. E. Kramer, W. H. Pennell, George A. Birch, C. W. Childs, M. D.; Andrew Wilson and Rev. J. E. Fout, Dr. Clark, Rev. W. C. Alexander of the West Street Presbyterian Church and others. present and made the occasion pleasantly The Exercises.

The great choir opened the meeting by singing "I Am Waiting." Miss Alice Kimball, who presided at the organ, followed with a patriotic mediey as a voluntary, The congregation then sang four verses o "America." Dr. Power offered the opening invocation, praying that the congregation might bring their deepest affections and their most earnest supplications to the service. The choir then sang "The Banner of the Cross," a stirring Endeavor hymn, the first stanza of which runs: There's a royal banner given for display To the soldiers of the King;

As an ensign fair we lift it up today, While as ransomed ones we sing.

The responsive singing was led by Dr. Grimke and Dr. Ennis led in prayer. The choir then sang "Meet Me There" with splendid effect. Dr. Newman welcomed the audience to the church. He said it was the understanding that the meeting was the first on a large scale during the his-tory of the Christian Endeavor in which a presentation of the good citizenship movepresentation of the good citizenship movement had taken place. He thought it particularly fitting that so auspicious an undertaking should originate in Washington, where many large claims for the advancement of humanity had originated and been advocated. Dr. Newman emphasized the importance of teaching to young men a proper conception of their country as something to which they should devote their religion as well as their patriotism.

Then, in response to a request, the choir sang the anthem, "Oh, Lord, How Marvelous Are Thy Works." Financial matters of interest to the society were briefly talked about by Mr. Pennell, and Mr. Foster sang a solo.

Dr. Clark's Address. Dr. Clark, when he was introduced by

Judge Taylor, received an enthusiastic salute, the audience waving their handkerchiefs and clapping hands for several minutes. The address was long and interest. ing. First the speaker brought to his hearers word of progress in Christian Endeavor in other parts of the world. During a recent visit in England he was told by the Christian Endeavorers at Birmingham thate they were to hold a convention in the city next Whitsuntide, at which 7,000 people would attend. A convention will be held in Boston this summer which would probably entertain about 50,000 persons. Preparations were making for the formation of societies in Parking Ionation of societies in Berlin, Leipsic and a number of other large German cities.

of other large German cities.

The speaker then commended the platform formulated by the District of Columbia Christian Endeavor committee, and for its careful statements and explicit terms pronounced it as one of the most admirable documents he had ever seen. If the Endeavorers followed it they could not go far astray. He believed that the great danger besetting this new movement was partisanship.

ship.
Dr. Clark also elaborated upon the state-Dr. Clark also elaborated upon the statement in the platform that no one should dictate to the societies, but that it was the province of the committee to suggest helpful schemes in which members might interest themselves. The stand upon the saloon question was commended by the speaker. He said that temperance people formerly opposed the saloon on individual grounds, but they had now seen that it is an enemy to good government. Hence the total extermination of the traffic was insisted upon. He further referred to the total extermination of the traffic was in-sisted upon. He further referred to the keeping of the Sabbath, and told how ar-rangements had been made to prevent any Sunday meetings at Boston during the con-vention, because of the Sunday travel that

vention, because of the Sunday travel that would result.

An earnest invitation was extended to the Endeavorers to visit Boston next July, Dr. Clark telling how visits had been planned after the adjournment of the convention to Bunker Hill, Cambridge, Concord, Salem and other points of historic interest. He also made an earnest plea for a patriotism that would extend to all countries, and urged community of action between America and England to rebuke the recent outrages perpetrated in buke the recent outrages perpetrated in

Armenia.

Dr. Alexander offered a prayer after Dr. Clark had finished, and the choir sang the doxology. The meeting closed with the Mizpah benediction.

THE MARINE BAND.

It Has Started on a Concert Tour Through the South. The United States Marine Band, under

Randall to whirl round with great velocity. This knocked down Capt. Barker, the pilot, and injured him. Other troubles have been reported because of this wreck.

Harbormaster Sutton today called on Messrs. Lord and McGlue, sand shippers, in relation to two sunken scows in 17th street canal. Complaint was recently made of these obstructions to navigation, and the attention of the parties was called to the new law regulating shipping in the harbor of Washington, and providing penalties for failure to remove such obstructions within five days. The gentlemen premised that the scows would be at once raised.

The favorable weather is bringing about the leadership of Prof. Fanciulli, and the business management of J. M. Blankinship, left last evening on the Norfolk and Washington steamer Washington, Capt. Tull, for Norfolk, there to begin a concert tour of the south, which will include the principal cities of Dixie and cover a period of six weeks. The band has worked hard at rehearsals during the past few weeks, and has added a number of judicious selections to its repertoire. It is understood that the programs of the band understood that the programs of the band will give an advantage to popular music, though the classics will be well represented. The band was accompanieed by Miss Carrie Roma as vocal soloist. She is a graduate of the Boston Conservatory of Music, and is well known in the far west as a singer of merit. The men were in high spirits at the prospects of the trip, and Prof. Fanciulii saw roses in the future.

With not a little reluctance, as he explained to the jury, Judge McComas this morning directed a verdict of not guilty in the case of William Schaeffer and Charles Higley, alias Smith, charged with the larceny of a silver watch from the person of Joseph Hueston, an old soldier. The in-Joseph Hueston, an old soldier. The indictment charged the prisoners, two young white men, said to be followers of racing across the river, with larceny from the person. The evidence, remarked the court, showed the defendants guilty of larceny only, however. Hence, Judge McComas told the jury he was compelled, by the rules of evidence and the law, to allow the escape of two guilty persons because the indictment lacked a count charging larceny. In directing a verdict of not guilty indictment lacked a count charging lar-ceny. In directing a verdict of not guilty Judge McComas suggested to the district attorney's office that in such cases future indictments should contain at least two counts, one alleging larceny from the per-son and one charging larceny or grand

> John Jefferson dropped dead suddenly or Saturday evening on the premises of Mr Geo. W. Cissell, 1645 Congress street. He was engaged on some garden work when the death stroke came. Jefferson was forty-five years of age and resided at 1113 21st street. He had been in Mr. Cissell's employ but three days. For over twenty years he had been in the employ of the Southern Railroad Company. The body of the man, just after death, was brought to the morgue of the seventh precinct station, where the coroner viewed it. Death was pronounced due to apoplexy.

Hunters Out.

The Chevy Chase hunters were out or Saturday evening about twenty-five in number. There' were some ladies, too, in the party, among them the Misses Newlands, who are enthusiastic horsewomen. The country best suited to the sport was gone over, special delight being taken in the jumping of the obstructions presented by fences, ditches and rough land. The run extended over about eight miles of ter-ritory. Six or eight riders came in at the finish. A dinner awaited the riders. Later there was dancing.

Canal Work. Seven boats laden with coal have come in

by way of the canal. Their cargoes aggregate 928 tons. Reports are to the effect that the boats are coming down in "clusters." All are bringing heavy cargoes. Those boats that have come in are the J. H. Mertins, John Hanaway, Benj. Vaughn, M. J. Adler, W. F. Harnet, No.

Vaugnn, M. J. Adler, W. F. Harnet, No. 129 and Park Agnew.

The upper canal is just teeming with mule craft headed townward. In a few days Georgetown will be deluged with coal and all the wharf hands obtainable will be called into service.

The Rev. Mr. Billheimer delivered his

first pastoral sermon yesterday at the Evangelical Lutheran Church. His installation took place last Tuesday. Mr. Bill-heimer based his sermon on "Remember Thy Creator in the Days of Thy Youth." The attendance was very encouraging. The splendid delivery of the new pastor was very apparently appreciated. There is no doubt that the Lutheran congregation here will rapidly increase in numbers and supporting power and early demonstrate the wisdom of the officers in their resolve to keep their church independent. The advent of the new minister promises to create a new enoch in the history of the ate a new epoch in the history of the church. He is full of enterprise and indus-try and a firm determination to make his first charge worthy of him.

At 11:45 last night fire broke out in the rear of 3636 O street, occupied by Benj. Bromzell. The engine was called from the seventh precinct. The damage caused by the fire was comparatively slight.

Washington Physicians Indorse Dr. Edison's Obes-

Pills and four of his delicious Obesity Fruit Salt and obtained wonderfully good results. My strength was nearly gone from chronic kidney and liver trouble, brought on by Catarrh and aggravated by obesity. My physician said that I had fatty degeneration of the heart and kidneys; that I could only obtain quartial relief and be comfortable, while the disease would rain my life. After I had taken three bottles each of the Pills and Salts I was on the road to fast recovery. As soon as I lost about 30 pounds of dangerous, unhealthy surplus fat I felt stronger and breathed easier when I walked. I felt stronger and breathed easier when I walked. I felt stronger and breathed easier when I walked. I felt stronger and breathed easier when I walked. I felt stronger and breathed easier when I walked. I felt stronger and breathed easier when I walked. I felt stronger and breathed easier when I walked. Ge about as well as ever. I wish that all who have suffered as I have could know how much virtue the little sweet pills and the Fruit Salt contain."

Our goods may be obtained from C. G. C. SIMMS, cor. New York ave. and 14th st.
